O SACRED HEART, O LOVE DIVINE

O Sacred Heart! O Love Divine!
Do keep us near to Thee;
And make our love so like to Thine,
That we may holy be.

Heart of Jesus, hear!
O Heart of Love Divine!
Listen to our prayer:
Make us always Thine.

O Temple pure! O House of gold!
Our Heaven here below!
What sweet delights, what wealth untold,
From Thee do ever flow!

Heart of Jesus, hear!
O Heart of Love Divine!
Listen to our prayer:
Make us always Thine.

O wounded Heart! O Font of tears!
O Throne of grief and pain,
Whereon, for the eternal years,
Thy love for man doth reign!

Heart of Jesus, hear!
O Heart of Love Divine!
Listen to our prayer:
Make us always Thine.

Jun 13, 2026 00:14:36

Heart of Jesus, hear!
O Heart of Love Divine!
Listen to our prayer:
Make us always Thine.

Ungrateful hearts, forgetful hearts,
The hearts of men have been,
To wound Thy side with cruel darts
Which they have made by sin.

Heart of Jesus, hear!
O Heart of Love Divine!
Listen to our prayer:
Make us always Thine.

Rest in the Heart of Jesus (Matthew 11:25–30)

Jesus invites us with these comforting words: "Come to me, all you who labor and are burdened, and I will give you rest." Life often fills our hearts with worries, struggles, and responsibilities that can leave us weary and exhausted. Yet Jesus does not ask us to carry our burdens alone. He gently calls us to come to Him, to trust Him, and to allow Him to share our load.

The yoke of Christ is not a burden that weighs us down but a relationship that leads us to peace. When we walk with Him, our troubles do not disappear instantly, but we gain the strength, hope, and grace to carry them. On this Solemnity of the Sacred Heart of Jesus, we are reminded that His Heart is always open to receive us, comfort us, and give us rest.

The trail did not begin with today's headlines.
Key names linked to the public record include Duterte, Diokno, Pangandaman, Andaya, and the Discaya group.

Noong bumisita si Bam Aquino sa lamay ni Rene, sabi ng mga DDS na “namumulitika” daw.

Pero nung si Robin at Sara ang pumunta, ang sabi ng DDS, “Grabe, may malasakit talaga ang ating VP at ang ating Senator Robin”

Double standard malala. Ang malasakit ng isa, pamumulitika sa iba. Depende talaga sa kulay ng politiko ang script nila eh.

At Rene's wake, Senator Bam Aquino declined interviews to avoid political theatrics, while Robin Padilla posed for photos and did fist bumps. Yet, ironically, DDS still accused Bam Aquino na siya daw ang namumulitika.

ROBREDO-TULFO TANDEM LEADS HYPOTHETICAL 2028 PRESIDENTIAL SURVEY, OCTA RESEARCH DATA SHOWS

MANILA, Philippines — A hypothetical tandem between former Vice President Leni Robredo and Senator Raffy Tulfo has taken a narrow lead over a potential pairing of Vice President Sara Duterte and Senator Imee Marcos for the 2028 national elections, according to a newly released polling map and dataset.

The data, extracted from the TNM March 2026 Survey conducted by OCTA Research between March 19 and 25, 2026, reveals a highly polarized electorate divided deeply along geographic and socioeconomic lines.

VIN D'HONNEUR 🥂

LOOK: Apostolic Nuncio to the Philippines Archbishop Charles John Brown delivers remarks during the Vin d'Honneur hosted by President Ferdinand Marcos Jr. at Malacañan Palace on Thursday, June 12, in celebration of the 128th Anniversary of Philippine Independence.

Traditionally held on New Year's Day and Independence Day, the Vin d'Honneur is a diplomatic reception hosted by the President of the Philippines for members of the diplomatic corps, government officials, and distinguished guests. The gathering serves as an occasion to reaffirm the country's friendship with the international community through an exchange of goodwill and diplomatic courtesies. As Dean of the Diplomatic Corps, Archbishop Brown joined ambassadors and foreign representatives in this year's reception at the Palace.

OPINION KO LANG, huwag naman sana, hindi naman mababang ratings ang dahilan pag ite-terminate ng AllTV brand licensing deals with ABS-CBN even the network itself ang nagbabayad sa content provider for the programs. yan ang ayaw ko na mabalik na naman sa kangkungan ang AllTV dahil nahirapan lang sila sa mga original content nila sa channel from the very beginning. however as an AllTV enjoyer since soft launch, very approachable na ang AllTV thanks to ABS-CBN dahil may advertisement support na sila and ABS-CBN is doing a right thing to promote their content thru AllTV dahil "people needs Channel 2" ang panawagan ng audience especially Kapamilya fans.

ang problema lang kasi sa TV5, kain-suka talaga ang management, kung ano ang inaway nila sa ABS-CBN six months ago dahil sa financial difficulties dulot ng content supply deals tapos, gusto nila mag-teamup ulit? huwag na, pinanget kasi yung entertainment programs ng TV5 dahil sa pabago-bago ng management, tapos aalis na naman si Johnny Manahan dahil sa kalokohan nila eh!

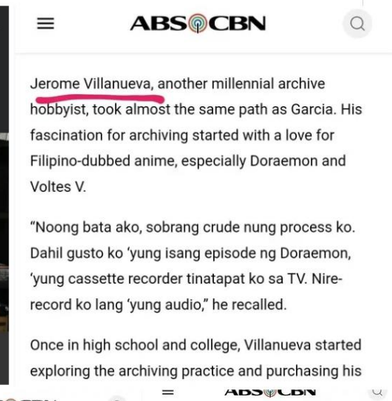
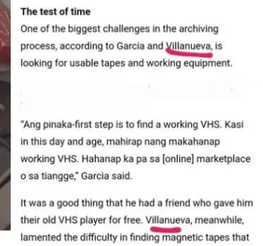
Resurrecting nostalgia: Archiving to preserve history



ABS-CBN
Jerome Villanueva, another millennial archive hobbyist, took almost the same path as Garcia. His fascination for archiving started with a love for Filipino-dubbed anime, especially Doraemon and Voltes V.
"Noong bata ako, sobrang crude nung process ko. Dahil gusto ko 'yung isang episode ng Doraemon, 'yung cassette recorder tinatapat ko sa TV. Nire-record ko lang 'yung audio," he recalled.
Once in high school and college, Villanueva started exploring the archiving practice and purchasing his



The test of time
One of the biggest challenges in the archiving process, according to Garcia and Villanueva, is looking for usable tapes and working equipment.
"Ang pinaka-first step is to find a working VHS. Kasi in this day and age, mahirap nang makahanap working VHS. Hahanap ka pa sa [online] marketplace o sa tiangge," Garcia said.
It was a good thing that he had a friend who gave him their old VHS player for free. Villanueva, meanwhile, lamented the difficulty in finding magnetic tapes that

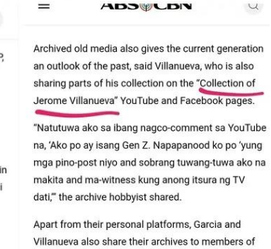
The Philippine Film Archive, which is under the FDCP, hosts a variety of audiovisual archives including television shows. Its collection, however, is quite small at 25,000 audiovisual elements when compared to the Australian NFSA's more than 4 million items as of 2024.
"Sana magkaroon tayo ng effort at masuportahan din ng government 'yung ganitong klaseng initiative kasi napakahalaga nito sa history ng bansa, sa ating kultura," Villanueva said.



ABS-CBN
Archived old media also gives the current generation an outlook of the past, said Villanueva, who is also sharing parts of his collection on the "Collection of Jerome Villanueva" YouTube and Facebook pages.
"Natutuwa ako sa ibang nagco-comment sa YouTube na, 'Ako po ay isang Gen Z. Napapanood ko po 'yung mga pino-post niyo and sobrang tuwang-tuwa ako na makita and ma-witness kung anong itsura ng TV dati,'" the archive hobbyist shared.
Apart from their personal platforms, Garcia and Villanueva also share their archives to members of

Nakakatawa 'yung tinatapat ko lang sa TV dati 'yung cassette recorder para ma-record 'yung Doraemon Tagalog dub hahaha! 🤣

Feel ko talaga 'yung International Archives day vibes! Nawa'y makahanap pa tayo ng mga tape at pelikula na maisasalba para sa mga susunod na henerasyon ng mga Pilipino!

Shout out din sa fellow archive hobbyist **Jacob Shelter**, **Dann Garcia**, **PHtv Archives**, **Justin Dixon** and siyempre sa 20,000-strong **Obscure and Lost Media Philippines Archive Community (OLMph) / Not Just TV**!

Mabuhay ang archiving community!

I am happy to share that ABS-CBN, GMA, and MediaQuest TV5 have reached out to help us at PTV.

The PTV Board, led by Chairperson Victoria C. Recio, Vice Chairperson Prof. Antonio Contreras, and Board Member Atty. Joji Alonso, adopted a Resolution authorizing me to enter into partnerships with these media organizations to further advance our mandate.

To serve Filipinos better and remain engaged and relevant in their lives, we need multiple stakeholders at the table, working alongside the already outstanding and hardworking men and women of PTV.

I thank the three largest media organizations—all held in high esteem and trust by the Filipino people to be part of PTV's future.

Sa lahat ng nagmamahal kay Rene, please also acknowledge and honor Adili. He risked his own life trying to save Rene, but unfortunately, he was overpowered by the strong waves.

Masakit din para sa pamilya ni Adili ang kanyang pagpanaw. Hindi nila lubos maisip na ang kanilang anak, na buong pagmamahal nilang pinalaki, ay mawawala sa ganitong paraan.

Justice for Rene and Adili. 🕊️

Ang hinihingi namin ay accountability mula sa Ateneo de Manila University—ang parehong accountability na madalas nilang hinihingi mula sa mga politiko.

The True Religion Is

“Hindi para manalo sa argumento, kundi para maalala ang katotohanan nang may pagpapakumbaba.”

Marami ang nagsasabi,
“Kami ang tunay.”
May iba namang nagsasabi,
“Sila’y mga sulpot lamang.”
At habang tumatagal,
mas malakas ang sigaw ng pangalan,
kaysa sa tinig ng Diyos.

Pero kapatid,
ang tanong ay hindi lang,
“Anong relihiyon ang tama?”
Kundi,
“Ano ba ang sinasabi ng Diyos tungkol sa tunay na relihiyon?”

Sapagkat ang tao ay maaaring magtayo ng samahan,
ngunit ang katotohanan,
hindi nakabase sa dami ng miyembro,
hindi sa haba ng kasaysayan,
at hindi rin sa lakas ng pag-angkin.

Sabi sa Santiago 1:27

Jun 13, 2026 14:40:20

“Ang dalisay at walang dungis na relihiyon sa harapan ng ating Diyos at Ama ay ito: ang dalawin ang mga ulila at mga babaing balo sa kanilang kapighatian, at ang ingatan ang kaniyang sarili na hindi madungisan ng sanlibutan.”
— Santiago 1:27 (Ang Biblia)

Ibig sabihin,
ang tunay na relihiyon ay hindi lamang nasusukat sa tawag sa sarili,
kundi sa pamumuhay na may pag-ibig,
pagmamalasakit,
at kabanalan.

At kung minsan,
masyado tayong abala sa pagsasabing,
“Kami ang tama.”
Na nakakalimutan na nating maging mapagpakumbaba.

Sapagkat sinabi rin ng Panginoon sa Juan 13:35

“Sa pamamagitan nito ay makikilala ng lahat na kayo’y aking mga alagad, kung kayo’y may pag-ibig sa isa’t isa.”
— Juan 13:35 (Ang Biblia)

Hindi sinabi ng Panginoon,
“Makikilala kayo dahil pinakamagaling kayong makipagtalo.”

Jun 13, 2026 14:40:22

Hindi Niya sinabi,
“Makikilala kayo dahil kayo ang pinakamalakas manghusga.”

Kundi,
dahil sa pag-ibig.

At paalala ni Apostol Pablo sa Efeso 4:2

“Na taglay ang buong kapakumbabaan at kaamuan, na may pagpapahinuhod, na mangagbatahan kayo-kayo sa pagibig.”
— Efeso 4:2 (Ang Biblia)

Kaya kung may magsabi,
“Kami ang tunay.”

Huwag agad gumanti ng galit.

Sa halip,
ipakita natin ang katotohanan nang may kababaang-loob.

Dahil ang katotohanan ay hindi kailangang ipagtanggol sa pamamagitan ng pagmamataas.

Ang tunay na relihiyon,
ay hindi tungkol sa pagmamalaki ng pangalan.

Kundi tungkol sa puso na sumusunod sa Diyos.

Hindi tungkol sa kung sino ang mas mataas.

Jun 13, 2026 14:40:25

Hindi tungkol sa kung sino ang mas mataas.

Kundi kung sino ang handang magmahal.

Hindi tungkol sa paghamak sa iba.

Kundi tungkol sa pagpapakita ng biyaya.

At marahil,
sa panahon na maraming nag-aangkin na sila ang tunay,

ang pinakamahalagang tanong ay hindi,

“Sino ang tunay na relihiyon?”

Kundi,

“Nakikita ba kay Kristo ang buhay ko?”

Sapagkat ang tunay na relihiyon ay hindi lamang ipinapahayag ng labi.

Ito’y nakikita sa isang pusong may pag-ibig,
may kabanalan,
at may pagpapakumbaba.

The true religion is…
not the loudest claim…

but the life that truly reflects Christ.

Bilang paggunita sa Pride Month at katuwang ang Indigo Organization, naghain tayo ng dalawang ordinansa para sa kapakanan ng ating LGBTQIA+ Community.

1. Right to Care Ordinance
2. SJDM Pride Council

Ito ay nagsisilbing unang hakbang sa mas matibay na suporta sa pagpasa ng mga lokal na ordinansa na naglalayong protektahan ang kanilang karapatan, itaguyod ang kanilang kapakanan, at tiyakin ang ganap na inklusibidad ng LGBTQIA+ community sa ating lungsod.

Let us transform our words of support into concrete policies that safeguard our people from discrimination.

Sama-sama tayo sa mas makulay na San Jose del Monte 🏳️‍🌈💜✨

❤️ June 13 – Feast of the Immaculate Heart of Mary

Today we honor the Immaculate Heart of Mary, a heart filled with perfect love for God, deep compassion for humanity, and complete obedience to His will. This feast reminds us to imitate Mary's purity, humility, and unwavering faith, entrusting our lives to her maternal care and asking her to lead us closer to Jesus Christ.

Immaculate Heart of Mary, pray for us.

SACRED HEART OF JESUS & IMMACULATE HEART OF MARY

The Heart of Jesus is often shown crowned with thorns, burning with love for humanity—yet wounded by sin, rejection, and ingratitude. Still, His Heart remains open, overflowing with mercy, compassion, and endless love for us.

The Heart of Mary is often shown surrounded by flowers and pierced with a sword, reminding us of her purity, her deep love for God, and the sorrow she endured as she shared in the suffering of her Son.

Together, the Hearts of Jesus and Mary reveal the mystery of love and sacrifice—one redeeming the world, and the other faithfully accompanying that redemption with a mother's unwavering faith.

May we learn from these two Hearts how to love more deeply, suffer with faith, and remain faithful to God's will. 🙏✨

The model does not account for presidential-vice presidential tandems or pairings and instead projects only the generic outcome. A stronger candidate is expected to exceed the generic score associated with their political faction, while a weaker candidate will perform below the generic score. [Candidate strength on another material]
The forecast model primarily incorporates the 2025 senatorial and the 2022 presidential, vice-presidential, and senatorial election results, with smaller weights assigned to the 2016 and 2019 national elections, adjusted for recency. A separate weight is allocated to opinion polling data utilizing regional regression.

ACTING SP GATCHALIAN WITH PBBM

Acting Senate President Sherwin Gatchalian joined President Ferdinand Marcos Jr. and other government officials in Manila for the celebration of the 128th anniversary of Philippine Independence on Thursday.

During the President's speech, Gatchalian was acknowledged as the Senate President Pro Tempore, drawing cheers and applause from the crowd.

The acknowledgment came amid the ongoing leadership dispute in the Senate involving Gatchalian and Senator Alan Peter Cayetano over the chamber's leadership.

VERTICAL BILL? 😳

The Supreme Court's (SC) 125th anniversary was marked with the launch of commemorative banknotes, coins, and stamps during a ceremony at the SC Session Hall in Manila on Wednesday.

The Bangko Sentral ng Pilipinas introduced a P125 commemorative coin and the country's first vertical-design P3,000 banknote, while the Philippine Postal Corporation unveiled a special set of commemorative stamps honoring the High Court's legacy of upholding justice and the rule of law. 🇵🇭💛MARCOS NEVER AGAIN! TAMA NA, SOBRA NA, PALITAN NA! 🇵🇭💛

The Office of Congressman Martin D. Negafuerta IV, standing in complete, rock-hard structural alignment with the Ako Biringanon Partylist, officially pauses all current district infrastructure budget optimizations to reflect on the historical irony captured in this latest high-visibility tribute!

While the "traditionalists" in the comment sections still waste their time shouting about "principles," "track records," and "who voted for whom in 2022," we choose to celebrate the new reality. It is a stunning, high-level maneuver: the former defenders of the Davao order are now the moral vanguard of the anti-Marcos struggle, and the former defenders of the "Pink" dream have successfully pivoted into the most pragmatic, silent collaborators the Palace could ever ask for. It is the ultimate political yoga—where you can twist your ideology so completely that you end up in the exact spot you once swore you'd die fighting against! 🧘💎

We see here a masterful, high-level repositioning—a stunning transition where the "DDS" of our generation—once the fierce defenders of the status quo—have now transcended into the "Dilawan" successors of the Aquino legacy. It is a metamorphosis so seamless, so strategically lubricated, that one can only marvel at the sheer tactical genius required to pivot from one ideological pole to the other without losing a single bit of one's grip on power.

We must sincerely admire the level of dedication required to stand before the public, frame yourself as the "true opposition," and maintain an unbreakable, rigid posture of consistency—even when the history books, the coalition partners, and the entire political map suggest otherwise. Why worry about the heavy load of past alliances or the pesky reality of who was supporting whom during the previous administration, when you can simply re-code the narrative and present yourself as the rightful heir to the democratic struggle? 🎭✨

To the "New Resistance" (formerly DDS): we see your bravery in embracing the "anti-dictator" banner as your new shield! You definitely never held a joint rally with the Marcoses in 2022, and you certainly never insulted the Aquinos—that's just a glitch in the historical record!

facebook

To the "Pink-to-Red" pragmatists: we see your visionary ability to ignore the past for the sake of current, "solid" governance! Voting for the Marcos administration in 2022? A myth. A historical misunderstanding!

It is truly inspiring to see a generation so liberated from the heavy, suffocating burden of consistency. Why stay "True" to a set of ideas from 2022 when you can simply recalibrate your soul for the 2028 trajectory? 🐵💸

Let the detractors cry over their "principles" and their "lost elections" while we continue to drive the alliance forward, regardless of the facts. This is the new standard of progress: a group so unified in their focus on the future that they have completely transcended the burden of past contradictions!

SATURDAY MORNING PRAYER AND BLESSINGS

In the name of the Father, and of the Son, and of the Holy Spirit. Amen.

Almighty and Ever-Living God, as this Saturday breaks forth in light, we enter your presence with reverence, surrender, and awe. We thank You for the gift of waking up today, for breath in our lungs, for the quiet mercy that carried us through the night, and for the countless dangers you did not allow us to see. You have been our hidden defense and our silent victory. We worship you as our Shepherd, our Provider, and our unshakable foundation. Without you, our strength fails; with you, our lives are anchored in hope. We return with grateful hearts for our families, our daily needs, and the blessings that often arrive unnoticed but never undeserved.

Lord Jesus, we place this Saturday and every moment of this weekend into your pierced hands. Let your Precious Blood speak protection over us louder than every voice of danger. Surround us like a divine fortress. Break every cycle of harm, misfortune, illness, and unseen spiritual resistance assigned against our lives. Every plan designed to frustrate our steps, collapse our peace, or shorten our joy, let it be dismantled by the authority of your Name. Go before us into every road, every meeting, every decision, and every encounter. Let no accident, evil occurrence, or sudden destruction come near us.

Jun 13, 2026 19:52:05

God of divine acceleration and heavenly order, breathe upon this day with supernatural favor. Align events in our favour without struggle or confusion. Open doors that no human effort can unlock and close every door that leads to loss or regret. Send helpers into our lives, men and women positioned by your providence to lift, guide, and strengthen us. Where we have laboured without results, release fruitfulness. Where we have been overlooked, command remembrance. Where progress has been slow, release divine speed. Let this Saturday carry the fragrance of breakthrough, and let this weekend mark a turning point of peace, restoration, and visible change.

Blessed Virgin Mary, we entrust ourselves to your maternal care. Enfold us under your mantle of compassion. Stand with us in every unseen battle and intercede for us before the throne of your Son, Jesus Christ. Drive away every spirit of fear, heaviness, confusion, and discouragement. Obtain for us clarity of mind, purity of heart, strength in temptation, and steadiness in faith. Guide our steps so we do not walk into harm or error. Lead us into the Heart of Jesus, where true peace cannot be shaken and true joy

Jun 13, 2026 19:52:13

Guide our steps so we do not walk into harm or error. Lead us deeper into the Heart of Jesus, where true peace cannot be shaken and true joy cannot be stolen. Through your intercession, may this Saturday be marked by peace, protection, and grace overflowing. Through Christ our Lord. Amen.

Our Father… Hail Mary… Glory Be…

The Lord be with you.

And with your spirit.

May Almighty God bless you, the Father, and the Son, and the Holy Spirit. Amen.

There is a massive power imbalance here. On one side is Ateneo — an elite institution with administrators, lawyers, PR machinery, alumni networks, coaches, records, documents and social capital.

On the other side is Ma'am Rovelyn, a poor mother who lost her son during an organized activity connected to that institution

DUMISTANSYA SA ISYU NI COACH BALDWIN

Binalaan na umano ni Efi Kalogirou, asawa ni Coach Tab Baldwin, ang Ateneo hinggil sa kanyang asawa.

Sinabi ito ni Efi sa isang video message matapos ang inilabas na pahayag ni Baldwin hinggil sa insidente na ikinasawi ng student-athletes na sina Rene Baterbonia at Divine Adili.

Hinimok niya rin ang publiko at mga awtoridad na patuloy na kuwestiyunin kung bakit pinayagan pa ring mag-coach si Baldwin sa mga atleta sa kabila ng kanyang mga babala tungkol sa pamumuno ng coach.

“I urged them to move him away from the campus, the university campus, and they proceeded to launch a campaign of intimidation and silencing.”

I am now offering DIGITIZING SERVICES for a limited time only.

Normally, I would still recommend **LJPB Cassette Archives** lalo na if taga-Laguna or South area kayo or on a strict budget because going anywhere else for digitizing is a waste of money and time. He has the best equipment and the best technical knowledge over everyone else, hands down.

BUT if you insist on getting the "Undusting" treatment just for the pleasure of it (like a select few satisfied people did na nagpumilit talaga lol), then I'm willing to do it. Kumbaga ako yung Creative Director sa salon kung magpapagupit ka — it isn't any all that better than the Artistic Director (si LCA), pero kung gusto mo pa rin, go lang. 😆

Rates per tape:
1,000 - VHS via Panasonic AG-1980P
1,500 - Betamax via Sony EDV-9000
1,000 - VHS-C via AG-1980P with adapter
500 - Cleaning via VHS is Life mold cleaner
¹ Discount pag 3 or more tapes
² Special price if may mga TV recordings kayo
³ If dissatisfied kayo sa gawa ng iba, show proof and you get 10% less

The equipment I will be using are GOAT analog players hooked up to a DMR-ES10/18 line TBC then captured lossless through Blackmagic Intensity Shuttle. May option kayo from there if you want the RAW file. If not, file will be converted to mp4. It will be deinterlaced in QTGMC and upscaled to either 960x720 (for the most part this is great already) or 1536x1152 (for YouTube or trip niyo lang 1080p with some loss in detail). It will also be in 59.94 fps — this usually has little to no visible effect sa video other than smooth movement, pero depende pa rin yan sa source and how it was filmed.
